Dear Sir:-

I have not forgotten my promise of stamps for the little girl; have just been neglectful. I am enclosing a few.

Have not yet heard from my friend in Mexico about coin collectors; but then that takes time.

Very sincerely,

Dear Mr. Hopkins:

On behalf of my daughter as well as myself I beg to thank you for the stamps you sent us the other day. We had but three or four of them, so you can see that you have decidedly helped along the little girl's collection.

I was looking over Scott's catalogue the other day covering the Mexican Revolutionary issues, and I was struck by the absolute lack of historical data it had concerning these. As you know, I have been collecting the coins from the historical standpoint, and I was wondering if you could roughly write me what stamps were issued by which Generals, and in what localities, referring to Scott's numbers. Also, I would like to know what stamps Zapata used.

Very truly yours,

Curator

Dear Mr. Hopkins:

After receiving your long and most courteous letter, I have been overcome with a sense of shame for putting such a ponderous question to you. I want to thank you very much for the time you spent in elucidating the complex Mexican Revolutionary stamp issues.

Your account is certainly lucid, and I think I can understand these issues now with some degree of intelligence. Certainly the Scott catalogue left you in a block.

Again thanking you, I beg to remain

Very truly yours,

Curator
